MEMORANDUM FOR: Assistant Director for Computer Services, DISAT

SUBJECT : Supply Division EDP System

REFERENCE : Your memorandum dated 23 July 1964, subject as above

1. This office is in complete agreement with the suggestions indicated in paragraph B of reference. These proposals have been discussed on numerous occasions with representatives of your office, and with the exception of item 7 they were included in the Office of Logistics recommendations contained in our report to the Deputy Director for Support dated 21 July 1964, subject - Systems Analysis of Supply Functions.

2. Messrs. [redacted] of Supply Division will initiate required action for compiling and statistical evaluation of the present tape files to arrive at the appropriate decisions as to the reorganization of the files, establishment of new report formats, frequency of reports, and realignment of codification system to provide this office with the management tools necessary for the effective accomplishment of the supply mission.
